

LANDSCAPE DESIGN INTERNSHIP PROGRAM

The Laurel Group Internship Program has been designed to expose students to a broad spectrum of office practices and procedures related to the Landscape design profession. Following an eight to ten week hands-on program, our interns will be mentored by a diverse set of individuals in our design-build firm and will be exposed to a wide range of job tasks and project types including:

- Site Visits + Analysis
- Construction Documents
- Project Management
- Office Operations
- Planting Design
- Cost Estimation
- Budgeting and Estimating
- Construction Site Observation
- Proposal Development
- Material Specifications
- Design Development
- Post Occupancy Evaluation
- Bid Document Review
- Irrigation Design
- Presentation Shadowing
- Client Contacts
- Subcontractor Meetings
- Design Reviews

In addition, our in-field training will include:

- Planting
- Masonry
- Drainage
- Irrigation
- Lighting
- Patio Furniture
- Greenhouse Management
- Grading
- Pruning
- Fertilization & Pesticides
- Garden Center Management
- House Plants

The ideal candidate(s) will be an incoming college junior or senior pursuing a bachelor's degree in Landscape Architecture. Experience with AutoCAD, MS Excel and MS Word. Experience with Sketchup and Photoshop desirable. To learn more, visit TheLaurelGroup.net/internships
